

Bastrop County MUD No.1

500 N. Capital of Texas Hwy, Bldg.1 Suite 125, Austin, TX 78746

April 1, 2024

Dear Customer,

Aqua Water Supply Corporation, our wholesale water provider, recently raised their water rates to all customers, including Bastrop County MUD No.1, (the “MUD”). The MUD must increase its rates in order to accommodate the increased cost from Aqua, plus it must keep up with the increasing costs associated with maintaining the MUD’s aging facilities. The MUD has recently completed the replacement of the two high service pumps at the water plant.

For these reasons, the Board approved an increase in the base water rate and a flat rate for water sales per 1,000 gallons. All tiered rates have been eliminated.

The new rate increase will go into effect on May 1, 2024.

Please see the new rates below:

Base and Water Rates	Gallons per Tier	Current Rates	New Rates May 1, 2024
Base Rate	Flat monthly rate	\$55.00	\$60.00
1 rate for all water sales	Flat rate p/1,000 gls	Varied by tier	\$7.08

Visit the MUD’s website (<https://bastropcountymud1.com/>) for more information.

Please feel free to contact the MUD’s office at (512) 402-1990.

Respectfully,

Board of Directors
Bastrop County MUD No.1
